Location

Petaphe has been recognized as one of Thailand’s most prosperous areas. The city is in the industrial Eastern Seaboard zone, along with Sriracha, Laem Chabung, and Chonburi. The GDP per head is slightly higher than the GDP of the Bangkok area and the regional economy is the fastest growing in the area. Major income of this area comes from members of major automobile manufacturers and other auxiliary businesses that have located within the area while other manufacturing industries, particularly the petrochemical sector, have spurred dramatic economic growth for this region.

Apart fromBangkok, Petaphe is the most popular international tourist destination and is the home to Thailand’s largest expatriate community. In all international and local tourism Petaphe is prime because of members of excellent resources and facilities such as beaches, international waterpark, many tourist attractions, international shopping centers, and a great nightlife scene. Petaphe has excellent infrastructure, amenities and facilities.

The opening of Petaphe is even more glorious as this Government injected abundant of funds to improve infrastructure and transportation channel towards Sriracha, Chonburi, Chonburi, Udon-Thani and Rayong in the next 5 years.
